

WINE LINE CALIFORNIA

CALIFORNIA LINE

Studiati e realizzati per l'esposizione e la vendita del vino rosso - rosato - bianco - brut in bottiglia, questi mobili, unici nel loro genere, sono adatti per la ristorazione ed ovunque si voglia servire del vino alla "giusta temperatura". Le porte e la griglia sono in legno massiccio. Le vetrate sono in vetrocamera isolante. Refrigerazione con evaporatore in piastra di alluminio "roll bond" su tutta la parte di fondo. Base con piedini regolabili.

CALIFORNIA LINE

Designed and realized for the display and sale of wine: red - rosé - white - brut in bottles, this display unit - unique of its kind - is particularly suitable for catering and any time wine is to be served at its right temperature. Door and lower grate are made of solid wood. Isolating glassdoor with brass insert. Refrigeration through "roll-bond" aluminium plate evaporator on the entire back side. Base with adjustable feet.

S

CALIFORNIA REHIE

Dient zur Ausstellung und zum Verkauf von Flaschenweinen: Rotwein - Rosé - Weisswein und Brut. Das in seiner Art einzigartige Möbel eignet sich besonders für die Gastronomie und überall dort, wo serviert werden soll. Tür und unterer Möbelteil sind aus massivem Holz. Isolierende Doppelglasscheibe mit eleganten Messinggestänge. Kühlung mittels eines im hinteren Möbelteil befestigten und aus einer Alurollondplatte bestehenden Verdampfers. Höhenverstellbare Füße.

LIGNE CALIFORNIA

Conçu et réalisé pour l'exposition et la vente de vin: rouge - rosé - blanc - brut en bouteilles, ce meuble, unique en son genre, est particulièrement indiqué dans les restaurants et d'une manière générale partout où l'on désire servir le vin à la "bonne température". Les portes et la grille sont en verre athermique isolant avec des garnitures en laiton. Réfrigération avec évaporateur en plaque d'aluminium "roll bond" sur le fond. Base à pieds réglables.

LÍNEA CALIFORNIA

Diseñados y fabricados especialmente para la venta de vino embottelado: tinto - rosado - blanco - cava, estos muebles en su género, estan particularmente adaptados para la restauración y en general para todas las ocasiones en que se desea servir el vino a su "justa temperatura". Las puertas y las rejillas són de madera maciza. Los cristales són aislados en cálmara con guarniciones en latón. La refrigeración está basada en un evaporador estático "roll bond" situado en la pared del fondo. Base con piés regulables.
