

FORNI LINEA TL-D BIG TL-D BIG LINE OVENS

Forno elettrico a controllo elettronico
Facciata in acciaio inox e corpo verniciato

Pizza ovens with electronic control
Stainless steel front side and case in painted steel

Il forno elettrico linea TL-D Big ideale per pizzeria e rosticceria.

I forni linea TL-D Big hanno come concetto la massimizzazione del lavoro e sono stati progettati per garantire un ottimo risultato con un facile utilizzo caratterizzato da un ottimo rapporto qualità/prezzo. Su questi forni vengono utilizzati materiali speciali ad alto potere isolante, determinando una ottima efficienza termica e di conseguenza bassi consumi. Il frontale e lo sportello sono realizzati in acciaio inox mentre la pannellatura posteriore viene realizzata in lamiera preverniciata. La camera di cottura di ampie dimensioni è dotata di illuminazione interna tramite luce alogena per garantire un ottima illuminazione. Le resistenze sono corazzate e il piano di cottura è realizzato in mattoni refrattari o in lamiera bugnata ideale per cottura in teglie. Alimentazione: Volt 230 - Volt 400 Trifase + neutro (a richiesta voltaggi speciali).

The electric oven TL-D Big line is ideal for pizza and roast foods.

The ovens of the line TL-D Big are conceived and designed to obtain great performances and results with an excellent value quality-price. They are realized using special materials with high insulation power ensuring a great thermal efficiency and consequently low consumption. The front and the door are made in stainless steel while the back paneling is made of pre-painted sheet. The wide cooking chamber is equipped with interior lighting by an halogen light for an optimal illumination. The resistances are armored and the cooking top is made of refractory bricks or in buckle plate ideal for cooking in pans. Power supply: 230V, 400V three-phase + neutral (Special voltages on request).
